In the beginning of this semester I wasn't so sure if I was going to enjoy this class but I actually learned a lot & felt I challenged myself in many ways.

Thanks to David Morrow & Professor Hausman I really got to enjoy & appreciate Humanities, the map of knowledge. I am looking forward to taking the next continuing Humanities class & hopefully be interested & work hard & put all my time & effort into it as I did in the Humanities 110 class.

THE COURSE WAS OVERALL FUN. HOWEVER
I WISH WE WOULD HAVE MORE
DEBATES SO THE GRADES WOULD
BE BETTER. ALSO MAYBE IF
REWRITES OF THE DEBATE
WERE ALLOWED IT WOULD MAKE
IT BETTER
