The best professor ever. will
recommend him. Never liked
philosophy before and now
I love it.

Great Professor. You are very approachable and try to make class fun. You're open to new ideas.

Have a great Summer

He was very interesting
This was my favorite class throughout
the semester.

Actually, it's been my favorite
and I think I liked it more than
any class I've had so far in
Hunter.

Very informative!

After taking this class, I feel
like I actually have a obligation
towards the environment
Thank you
